## **APEX Analytix<sup>®</sup> Launches New Best Practices Website**

- *Offers ready access to information on procure-to-pay trends and benchmarking*

**GREENSBORO, N.C.** – July 27, 2009 – APEX Analytix<sup>®</sup>, a leading provider of services and software for performance improvement, error prevention and fraud detection in accounts payable, has launched a new APEX Expert website that offers ready access to information on procure-to-pay best practices.

The new site is located at [www.apexanalytix.com/apex\\_expert](http://www.apexanalytix.com/apex_expert).

Visitors can download whitepapers, watch Webinars or read articles on some of the hottest topics in the industry. They also can subscribe to newsletters, sign up to participate in free benchmarking surveys or ask experts to answer questions about recovery auditing, accounts payable best practices or ways to detect and prevent fraud.

“We want to be the go-to resource for anyone interested in industry trends and in specific tips and techniques they can use to continuously improve their operations,” said Derek Binnicker of APEX Analytix<sup>®</sup>, vice president of sales and marketing.

Featured content currently posted on the APEX Expert homepage discusses how to uncover costly freight bill errors, use vendor portals to reduce costs and establish a strategic business advantage with performance metrics.
